ABOUT ME

Alē Vigneri was born in Jesolo (Venice). His musical interests embrace House Music in all its nuances and range up to Soul. The continuous musical research leads him to be fascinated by the vinyl record, so that he still uses it in his sets, offering refined selections of Soulful Music in some of the most exclusive locations of Italy and beyond. More than 15 years of career and refinement of the technique leads Alē to share the console with international artists such as Michael Calfan, MK A.K.A. Marc Kinchen, DB Boulevard, Madison Mars, Loud Luxury, Mauro Ferrucci, Ricchi e Poveri, Luke Burr and many others. Today, Alē is resident DJ of Terrazza Aperol (Milan), The St. Regis Hotel (Venice), Hilton Molino Stucky (Venice) and collaborates with some of the most famous Italian and European radio. Many of his mixes are in some of the most important Top50 Global charts. He is resident DJ at Ibiza Stardust Radio, Patchouli Deep Radio (London) and ODH Radio (Dubai). He is the sound designer of international corporate events, with consequent publications in Vogue and Harper's Bazaar. Alē's first record production will be out by the end of the year and we can't wait to listen to it!

Alē has considerable experience in the sector of international weddings and private events. He holds a degree in Russian/English linguistic mediation, this allows him to interface with international guests, managing to create specific musical projects in line with the client's needs. Collaborating with a team of professionals in the sector, such as Ali Bakhtiar, Vincenzo Dascanio, KR Weddings etc... Alē offers a complete service, with attention to every detail. This sector has seen him as a headliner in some of the most exclusive venues of Europe.
